

Camp Ketcha: Financial Assistance Application

Family Financial Assistance Overview

Ketcha Outdoors' mission is to provide equitable access to outdoor experiences, promoting well-being, sustainability, and resilient communities. We encourage all families to apply if the cost prohibits your child from enrolling.

Financial assistance is available for partial assistance to up to 90% off the cost of programs.

Financial Assistance Applications will be reviewed as soon as they are received. You will be notified about the amount of financial aid we can award within 2 weeks of applying. While we attempt to assist everyone who cannot afford the cost of camp, Ketcha Outdoors is in some instances limited by funds and may need to deny some aid requests based on these limitations. Refunds for deposit may be given in accordance with the amount of aid received.
